Take the next step

We have lovingly restored Hestercombe to the breathtakingly beautiful paradise you see before you today.

Hestercombe is an independent charity, so by choosing to have your wedding here, you will be directly supporting the Trust and our valuable restoration work. There is something special about knowing that the place where you will share one of the most significant moments in your lives is being looked after forever.

The Hestercombe estate dates back to the 13th century. The beauty of so much history is that there is always a story to tell, and by having your wedding at Hestercombe you will be part of our future, protecting this stunning landscape for generations to come.

All our married couples are given a full membership for a year after their wedding and are also invited back for a celebratory afternoon tea on their anniversary, meaning you can return to this magical place and remember your special day.

With thanks to Chris Lacey, Special Days Photography, Martin Dabek, Jamie Dodd, Bridled Photography, Rik Penning and Ali Paul for allowing us to include their stunning photography.
